Report on Distribution of Eco -Friendly Ganesh Idols

Date: 24-08-2017

Venue: GCET

As per the earlier practice, the student volunteers of the Environmental club distributed Eco-friendly Ganesh Idols to all the teaching & non-teaching staff and students on 24-08-2017. As a part of this activity around 490 Clay Ganesh idols were distributed. This is practiced for the protection of the environment and to improve the quality and quantity of natural resources.

Ganesh Idol Distribution

Report on Plantation

Date: 22-09-2017

04-01-2018 & 05-01-2018

Venue: GCET

Plantation Programme was held on 22-09-2017 at GCET as a part of Environmental Club activity. About 15 students along with 20 faculty members planted saplings. Plants were collected from HMDA and almost 50 saplings were planted in and around the campus. Saplings were planted twice in this year.

Tree Plantation
