Department of Freshman Engineering

Centre for Soft Skills Development

The Soft Skill training centre has been established with an aim of honing the competency skills among students blending with their good academic skills. It is undoubtedly an imperceptible fact that the academic skills are to be put into healthy practices to get placement in various companies. Modern day language does transcend the National barriers wherein the quality of life is increasingly competing with ever changing market demands. In this backdrop the soft skills centre is nurturing and pruning the young minds by taking up various activities in addition to the regular training.

Activities conducted during academic year 2017-18

Trained students in acquiring

- Interpersonal skills.
- Creative and Critical Thinking abilities
- Critical Thinking
- Creative Thinking
