DEPARTMENT OF MANAGEMENT STUDIES

Report on Alumni Interaction

On **April 16, 2024**, Geethanjali College of Engineering and Technology's Department of Management Studies organized an alumni interaction session for the first and second-year MBA students. The event featured **Ms. P. Likhitha Reddy**, an alumna from the **2020-22 batch** and currently an HR Executive and Team Lead at Tele Performance Ltd., The session, titled "Current Job Market," was held from **10:00 AM to 11:00 AM** in the MBA classroom and aimed to provide students with valuable insights into job market trends and career planning strategies.

The session began with a warm welcome and introduction of the alumni by the Alumni Coordinator, who highlighted Ms. Likhitha Reddy's achievements and professional journey. Ms. Likhitha Reddy's presentation covered various aspects of the current job market, including the latest trends, in-demand skills, and industry expectations. Following the presentation, an interactive Q&A session allowed students to ask questions about job search strategies, resume building, interview preparation, and career development. Ms. Likhitha Reddy shared her personal experiences and challenges during her job search, offering practical advice and motivational tips that resonated with the students.

The event was well-attended, with approximately 90% of the MBA cohort present. The feedback from participants was overwhelmingly positive. Students found the session highly useful, well-organized, and appreciated the relevance and clarity of the content presented.

In conclusion, the alumni session on "Current Job Market" was a resounding session. Ms. P. Likhitha Reddy's insights and experiences provided valuable knowledge and inspiration to the students. The event not only enhanced their understanding of the job market but also motivated them to actively prepare for their careers.

The Department of Management Studies extends its gratitude to Ms. Reddy for her time and contributions, as well as to the organizers for facilitating such an enriching event. We look forward to more such sessions that bridge the gap between academia and industry, preparing our students for successful careers.

Report on Alumni Interaction

Alumni Interaction on "Navigating the job market": The Department of Management studies, Geethanjali College of Engineering and Technology organized a session on "Navigating the job market" on 27th December -2023 for MBA 1st & 2nd year students. The session speakers were **Mr.J.Prem Kumar-HR Executive of Value Labs, V.Abhishek-Tax Consultant at Deloitte**. The event started at 11:30am by a welcome address by Dr. A. Sitha Madhavi, Professor, Department of Management Studies. The Alumni Session on Navigating the Job Market was convened to provide recent graduates and alumni with insights and strategies for navigating the increasingly competitive job market. The session aimed to equip MBA students with practical knowledge and resources to enhance their job search and career advancement prospects. The main purpose of this session is to empowering students in their right stream. The main topics covered under this session are:

- Job search Platforms
- Interview Preparation
- Suitable courses to be learned to stay in the market

Interactive Q&A Sessions: Attendees actively participated in interactive Q&A sessions, seeking advice on specific career-related queries. The open dialogue facilitated knowledge exchange and provided attendees with valuable insights into addressing common job search challenges.

Key Takeaways:

Students have acquired the knowledge on the importance of lifelong learning and upskilling to remain competitive in a dynamic job market.

Students have acquired the knowledge regarding the jobs in different streams of MBA

Conclusion:

The Alumni Session on Navigating the Job Market served as a platform for alumni to gain valuable insights, exchange ideas, and foster connections essential for career advancement. By equipping attendees with practical strategies and resources, the session aimed to empower individuals to navigate the complexities of the job market with confidence and resilience.

Report on Alumni Interaction

On **December 28, 2023**, the Department of Management Studies at Geethanjali College of Engineering and Technology organized an insightful alumni interaction session for first and second-year MBA students. The session was held in Seminar Hall Block-III, focusing on the topic "Challenges Faced throughout the Journey as an Entrepreneur." The primary resource person was **Mr. Mamidi Naveen Kumar, an accomplished entrepreneur and owner of Sri Venkateswara Steel Traders**. The session aimed to provide students with a comprehensive understanding of the entrepreneurial journey, highlighting various challenges and practical strategies for overcoming them.

The event commenced with a welcome address by the Alumni Coordinator, Mrs. K. Lavanya who introduced Mr. Naveen Kumar and provided an overview of his entrepreneurial achievements. Mr. Naveen Kumar delivered a compelling presentation that delved into the myriad challenges faced by entrepreneurs, including securing funding, managing operations, dealing with competition, and maintaining a work-life balance. His presentation was followed by an interactive Q&A session, where students engaged actively, asking questions about specific challenges and seeking advice on aspiring entrepreneurial paths.

Mr. Naveen Kumar shared personal anecdotes and real-life examples, making the session relatable and insightful. His candid discussion about the struggles and successes he encountered provided valuable lessons for the students. The session saw enthusiastic participation, with an excellent feedback.

In conclusion, the alumni session on "Challenges Faced throughout the Journey as an Entrepreneur" was a significant success. Mr. Mamidi Naveen Kumar's insights and experiences provided invaluable knowledge and inspiration to the students, enhancing their understanding of entrepreneurship and motivating them to consider entrepreneurial ventures in their future careers.

The Department of Management Studies extends its heartfelt gratitude to Mr. Naveen Kumar for his time and expertise.

Report on Alumni Interaction

On the 5th of September 2022, the Department of Management Studies at Geethanjali College of Engineering and Technology organized an alumni interaction session for the I and II-year MBA students. The session featured Baby Priya, an esteemed alumna from the 2018-20 batch, who is currently working as a Financial Analyst at Wells Fargo with her colleague Mr. Manikanta. The event took place in the MBA Classroom (N-217) from 1.30 PM to 3.00 PM.

The primary objectives of the session were to provide current students with insights into the role and responsibilities of a Financial Analyst, to bridge the gap between academic learning and industry practices, and to offer a platform for students to interact with a successful alumna and seek guidance on career opportunities and industry expectations.

The session commenced with a welcome address by the Alumni coordinator, Mrs.K.Lavanya who emphasized the importance of alumni interactions in enhancing the learning experience and career preparedness of students. Following this, Baby Priya began her talk by sharing her journey from being an MBA student to securing a position at Wells Fargo. She highlighted the key skills and competencies required for a Financial Analyst role, discussing various aspects of her job, including financial data analysis, forecasting, and reporting. Her experiences provided valuable real-world insights that complemented the students' academic knowledge. Priya and Mani kanta also shared tips on resume building, interview preparation, how to answer an interviewer.

After her talk, there was an interactive Q&A session where students posed questions related to career paths, industry trends, and the challenges faced by financial analysts. Priya's responses were detailed and encouraging, helping students gain a clearer understanding of the financial sector and the skills needed to excel. Following the formal session, students had the opportunity to interact with Baby Priya informally, allowing for more personalized advice and networking.

The session received a positive feedback from the students. They appreciated the opportunity to learn directly from an industry professional and found Priya's experiences highly motivational and informative. Many students expressed a renewed interest in pursuing careers in financial analysis and related fields.

In conclusion, the alumni interactions are invaluable in preparing students for the transition from academia to industry, and the Department of Management Studies looks forward to organizing more such events in the future.

DEPARTMENT OF MANAGEMENT STUDIES

Report on Alumni Interaction

The Employability Skills session, led by alumnus **Mr. U. Suman Kumar, Senior Equity Pricing Analyst at State Street Company**, was held on **August 17, 2022**. Through engaging discussions, Mr. Suman Kumar emphasized the importance of both hard and soft skills in today's job market, providing practical insights into areas such as financial analysis, communication, teamwork, and adaptability. Students actively participated, seeking guidance and gaining inspiration for their professional journey. The session concluded with gratitude extended to Mr. Kumar for his valuable contribution to the development of the MBA students at Geethanjali College of Engineering and Technology.

The feedback by students includes:

The Employability Skills session, facilitated an interactive dialogue on job interviews. Mr. Kumar shared invaluable insights on interview preparation, navigating various company interviews, selecting specializations, and the significance of project work. The session was highly informative, engaging, and provided practical strategies for overcoming interview challenges. Such sessions play a crucial role in preparing students for successful careers, equipping them with essential skills and knowledge to excel in the professional world.

Report on Alumni Interaction

10th November, 2021

The Department of Management Studies at Geethanjali College of Engineering and Technology organized an alumni interaction session for the II year MBA students. The session featured four distinguished alumni from the 2019-21 batch: Sonal Madre (Deloitte), T. Pavani (Goalreify), Jishnu (Business), and B. Chandana (Reverb Fitness Studio). The event took place in the MBA Classrooms from 10.30 AM to 3.00 PM.

The session aimed to provide students with career guidance, conduct mock interviews, and discuss the challenges faced throughout their entrepreneurial journeys. Each alumnus shared their experiences and insights, offering valuable advice on navigating the job market, preparing for interviews, and overcoming obstacles in their respective fields.

The session began with individual presentations from each alumnus, followed by interactive Q&A segments where students could ask questions and seek personalized advice. The alumni provided practical tips on resume building, interview techniques, and career planning. Additionally, they shared their experiences and challenges as entrepreneurs, giving students a comprehensive understanding of the business world.

In conclusion, the alumni interaction session was a success, bridging the gap between academic learning and industry practices, and motivating students to excel in their careers. The Department of Management Studies looks forward to organizing more such events in the future.

The event feedback report is enclosed.

Report on Alumni Interaction

On the 15th of March 2022, the Department of Management Studies at Geethanjali College of Engineering and Technology organized an alumni interaction session for the II-year MBA students. The session featured Mr. Krishna, an esteemed alumnus from the **2007-09 batch, who is currently an entrepreneur with his own venture, Glory Concepts**. The event took place in the MBA Classroom from 10.30 AM to 12.30 PM.

The primary objectives of the session were to provide students with insights into the entrepreneurial journey, bridge the gap between academic learning and real-world business practices, and offer a platform for students to interact with a successful entrepreneur and gain valuable guidance on starting and managing a business.

The session began with a welcome address by the Alumni coordinator, following this, Mr. Krishna shared his entrepreneurial journey, starting from his days as an MBA student to founding and running Glory Concepts.

Mr. Krishna discussed the key challenges and opportunities he encountered while setting up his business. He highlighted the importance of having a clear vision, being adaptable, and staying resilient in the face of obstacles. He also shared insights on market research, business planning, funding, and the significance of building a strong team.

During his talk, Mr. Krishna provided practical advice on how to navigate the initial stages of entrepreneurship, including identifying viable business ideas, creating a business plan, securing financing, and managing operations. His experiences offered valuable real-world insights that complemented the students' academic knowledge and inspired them to consider entrepreneurship as a viable career option.

Following his presentation, there was an interactive Q&A session where students posed questions related to starting and growing a business, overcoming challenges, and the skills needed to be a successful entrepreneur. Mr. Krishna's responses were insightful and motivational, providing students with a deeper understanding of the entrepreneurial landscape and the competencies required to excel in it.

Alumni Interaction Report

On 26th September 2018, we had an Alumni interaction session with our senior Ms. T. Sahithi (16R11E0044). She got placed in S&P global with a very good package and was here to share her experiences in her work role.

Ms. Sahithi guided us with all the employment opportunities available for MBA students with few other certifications. She gave the list of all the certifications available for students and priorities that we have to give.
