Proceedings and Discussion:

CoE presented all the results mentioned in the agenda under item No: 4, and informed the Academic Council that these results have been vetted by examination results committee nominee of JNTUH and approved by the Vice Chancellor, JNTUH.

CoE presented all the malpractice cases during odd semester examinations of AY 2021-22. Members noted that the punishments given in these malpractice cases are as per the provisions of the Academic Regulations and approved the same.

In the academic year 2020-21, five students of GCET, two from second year and three from third year tested positive for COVID / exhibited symptoms of COVID during semester end examinations. Following the circular issued by the then DE, JNTUH, the college has conducted their next exam i.e., December 2021 as regular exam instead of treating the exam as supplementary examination. However, Academic council approval was not obtained for this. JNTUH did not approve the decision to treat these examinations as regular examinations, citing one of the reasons that the decision was not ratified by the college academic council. In view of this, college has submitted a written request to the controller of examinations, JNTUH to consider these five student's appearance in December 2021 as supplementary examinations. When academic council was apprised of this, members of the academic council felt that not obtaining the approval of the academic council should

not lead to penalizing the students. Hence, academic council advised to put forth a request again to the university, at a later date, that their attempt may be considered as regular examination.

Approval for nomination of new members for its Board of Studies of ECE Department in place of the existing members.
