BUSINESS ENGLISH CERTIFICATE (BEC)

Co-ordinator: Prof. G. KarunaKumari ,Prof. of English, Freshman Engineering Dept.COMMUNICATION for BETTER TOMORROW-BEC Training.

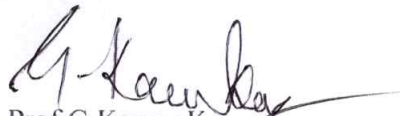

The College is credited to introduce English language training with a major footprint in the form of **Business English Course** in the academic year 2016. We impart effective training with an aim to bridge the gap that exists between the skill-set required by the corporate world and the skills acquired by the students through a regular course of study, thereby facilitating substantial improvement in the employability of the students. Prof. G. KarunaKumari, a Certified Trainer and Examiner, Cambridge University, U.K, and Dr.B. Nagamani are taking charge of training the students of the college to sit for BEC Exam.

We have introduced BEC Course, a leading English language training course with a major footprint in imparting training of effective English Language Communication Skills on par with Cambridge University, U.K. We aim to bridge the gap that exists between the skill-set required by the corporate world and the skills acquired by the students through regular course of study, thereby bringing substantial improvement in the employability index of the students.

To state briefly, our college has tied-up with University of Cambridge ESOL Examinations as an authorized Examination center for the conduct of the BEC Exams. Our college was awarded the "**Cambridge English Center of the year**" in the year 2016. This is an achievement by itself. We make use of state-of-the-art training methodologies using concept based quality content teaching. Students receive certificates, from University of Cambridge ESOL Examinations. The state-of-art class rooms in the college helped us to the maximum. The batch appeared for the Examination, both Preliminary and Vantage in 2017-18 and secured 100% result.

Impact of Business English Certificate Training:

This training not only enabled the students to enhance their employment opportunities, but also helped them further to gain professional development. They could grab opportunities overseas in reputed Universities.
