PTC CREO Course out comes

The student will be able to

1. Use motion and interference checking to ensure that parts will not interfere throughout their complete range of motion.
2. Use CAD software collaboratively when designing on a team.
3. Make appropriate selection of CAD functionality to use as tools in the design process.
4. Communicate effectively the geometry and intent of design features.

NX-CAD Course Content/Syllabus

The Course provides in depth coverage of the following important modules.

1. **Part modeling**
   - Introduction to NX CAD
   - Direct Sketch
   - Feature Modeling
   - Synchronous Modeling

2. **Assembly**
   - Component Control

3. **Drafting**
   - Viewing the object
   - Dimensioning
   - Apply Annotation

4. **Sheet metal**
   - Basic Sheet metal operations

NX-CAD Course Outcomes

The student will be able to

1. Use basic and advanced features of current CAD software.

2. Understand how CAD technology can be leveraged in the design process

3. Design a part or assembly of parts using Computer-Aided Design software.

4. Use parametric modeling techniques to reflect engineering requirements.

5. Apply top-down design principles to model a design.

CIRCULAR

This is to inform all the IV - B. Tech I Semester (A&B) Mechanical engineering students that, department of mechanical engineering is going to conduct NX-CAD training program from 07/09/2019 (every Saturday), and duration of program is 5 weeks (40 hours). So, all the students of IV B. Tech of Mechanical Engineering are requested to join the program and make use of this for adding feathers in your resume. So, detailed schedule is given below.

| S. No	Week	Date	Time	Topics
1	Week-1	07.09.2019	9:30 am to 1:30 pm, Lunch break 2:00 pm to 5:30 pm	Introduction to NX-CAD, Part Drawings
2	Week-2	14.09.2019		Part Drawings
3	Week-3	21.09.2019		Part Drawings, Sheet Metal Drawings
4	Week-4	28.09.2019		Assembly Drawings
5	Week-5	05.10.2019		Assembly Drawings, Project

Note : The Mock Test 2 is enabled only for the students who appeared for Mock Test 1
***

Kindly note the following points for the smooth running of the program in your respective institution.

a. The Mock Test2 will start and end ON TIME as per the time schedule given

b. Students are requested to log in 15 minutes before the test start time and log in URL https://snapp.service-now.com/app

c. Students who log in **10** minutes after the start time will find their credentials de-activated, hence it is imperative that the student logs in 15 minutes before the start time

d. The students can use the **same login credentials which was used during their assessment test**, no changes made in their login credentials, hence there is no need to reset the password

e. A student who does not appear for the test at the given time/date will be considered as ABSENT

f. The test is for 90 minutes and would end automatically at the elapsed time

g. It is very important to provide stable and high speed internet bandwidth to ensure seamless exam experience

h. It is the responsibility of the SPOC from colleges to provide invigilator in the exam room and monitor administration of test

i. Please ensure there are no absentees as we already have a huge drop out of student as against the original plan.

j. No student is allowed to take the test outside of the college.

Please feel free to contact in case of any queries.

The college SPOC or Invigilator is requested to be available on Zoom Call during the test (advised to logon to call 30min prior to the test slot) for technical support from ServiceNow team

Dear Sir / Madam,

Please read the following email and comply

Please remember, this exercise is to build confidence among the students to appear for Global certification exam.

Please note this is very important event and we need **100% participation of the students** as we would also have senior leadership of ServiceNow India Development Centre and Telangana Academy for Skill and knowledge participating in the event.

Support / Information that we want from colleges:

- Email List of groups with a group lead , Name and Email id and corresponding names of group members by **EOD Saturday 24th August 2019**.
- The Group lead can assign a name for the Group. For example Brilliant minds, NOW Rockstar's etc.
- Brainstorm few ideas/thoughts that qualifies as Problem statement which can be automated ensure these are related to respective Colleges, for example: Faculty / Student Leave Application (or) Holiday calendar (or) Exam Schedule modification
- Please ensure there is parity in selecting the students along with gender representation.
- Since there would be awards/accolades for top 3 winning team, DO NOT put all bright students in the same group which will imbalance the whole objective
- List of Faculty who would like to participate in the event.

Venue:
ServiceNow Academic Hackathon
Day/Date: Wednesday 28th August 2019
Timings : 9.00 am - 6.00 pm (Students should reach the venue by 8.30 am sharp)
Venue: ServiceNow India Development centre, Parcel 2, Salapuria Sattva
Location Link : https://goo.gl/maps/mJoXzwMDCDffYbzB7

Please ensure all students and faculty should carry their individual college ID PROOF

Venue : ServiceNow India Development Center, Parcel 2, Knowledge City, Salapuria Sattva
Location Link : https://goo.gl/maps/mJoXzwMDCDffYbzB7

Your participation will enable you to demonstrate the power of ServiceNow platform, driving innovation and value creation for your University

Hackathon is theme based which provides an opportunity to innovate, solve problems, create solutions, share knowledge, experience excitement and collaborate

We encourage you to work with you individual Team leads in the next few days and put in a plan distributing responsibilities of each team member, for ex : 2 members to own design of application , 2 members should own developing the application with team support and 1 member of the team should own responsibility of testing the application and 1 member would prepare and deliver the presentation

Please note 3 best teams will be judged based on the following criteria and will be declared as winners for exciting prizes

Creativity
How innovative, creative, different or stand out is the application or solution

Ease of Adoption
How easy would it be use, how hard would it be to learn for the end user.

Impact
What change or effect would this have to the University?

Power of the Platform
How did the team best utilize the feature, plugins, share, etc.?

Please note ServiceNow Academic Program team has pre-registered you' for Hackathon, no additional registration process is required from your end

Read the following Guidelines in preparation for your Hackathon

Subject: SNAP - Global Certification

Dear Sir / Madam,

Few updates, please read and support

- **eBooks and 100% free Certification vouchers were emailed to all eligible students**
- **Please, immediately enable the students to register for the exam at Kryterion testing center.**
- https://www.kryteriononline.com/Locate-Test-Center/5?field_address_country_1=IN&tid=All&tid_1=All&tid_2=All&tid_3=All&tid_4=134&tid_5=All&tid_6=All

Important Milestones

- All students should pass certification exam **on or before 02 September 2019**. If a student fails in first attempt he/she need to pay $75 and appear for retake exam

- All certified students will first appear for pre-Technical online/Process exam being administered by our partner organizations during week of **9th September'19** .
    - Each student will get an opportunity to appear for pre-Technical test in min 4 organizations to ensure we have fair number of students available for hiring by partners.
    - As of today, we have confirmation from Infosys.(250 Openings) , EY(25 openings), Accenture (70 openings) KPMG (20 openings) , Capgemini (45 openings) and confirmation with TCS, DXC , Wipro and Deloitte will be received this week, will update you accordingly. As you see there is enough and more demand

- All students who clear Pre-Technical test during week of 9th September, will participate in Job Fair scheduled in Hyderabad on **20th and 21stSeptember.**

I will work with you to capture details of students in the prescribed format as requested by hiring organizations in the next few days as we have to submit names of all certified students by 2nd September to enable each organization to plan for Pre-Technical assessment test

Look forward for your support

Dear Candidate,

Greetings from Infosys!

We would like to thank you for your participation at the ServiceNow Recruitment Drive at Hyderabad. We are glad to inform you that we will be extending you an offer for the role of Systems Engineer. The offer letter will be released post your graduation. Kindly consider this mail as an offer confirmation.

Please note, this confirmation is based on the academic details as confirmed by you. Any discrepancy pertaining to that might result in the revocation of the offer letter. For any further updates, kindly drop a mail to offer_update@infosys.com.

Regards,

Anivesh Joshi,
